### Who should attend this event?

If you are a woman in leadership or aspiring to take the next step into leadership in Education.

Your senior student School Captains would also be inspired by our speakers' leadership journeys.

### Conference Aims

This day event is aimed at women in leadership or women aspiring to take the next step into leadership in Education.

The focus will be on these three areas:

1. Facing challenges
2. Leadership journey perspectives
3. Opportunities to create connections
