

MY BODY SAFETY RULES

1.
God made your body and it's up to you what happens to it.
2.
God made other people's bodies and they belong to them!

I should **NEVER KEEP SECRETS** that make me feel bad, dirty or uncomfortable.

My private parts are the parts of my body that are under my bathing suit.

REMEMBER: Your body belongs to you and **ONLY YOU!**

3. **NO ONE** has the right to bully me by continually:

- pushing me around
- using hurtful words
- hitting me

If someone has touched my private parts or has asked to...
I MUST TELL A TRUSTED ADULT.

4.
Your body is very special. Everyone has what we call 'private parts'.

NOBODY gets to touch your private parts and you don't touch anyone else's.

5

It is very important that I have a network of five people that I can go to if I am in trouble, or if I need some help.

"To comply with the Victorian Child Safe Standards, the College must make students aware of the processes to follow when they feel unsafe."
